

# Pneumatic gripper

The only one...

The fishing rod !

... who catches everything out of the channel !

## What is that gripper ?

A brilliant **pneumatic gripper**, especially designed **for catching objects** in channels or in conducts of ventilation.

### Advantages

- Arcade-shaped up to 90° from DN 100 and bigger
- Operating range up to 25 m (standard), longer range possible
- Fast and simple maintenance
- Safe money because no detection needed
- Installation of a camera possible (optional)
- Easy handling by use of push bars made of plastic. Either taken from Cutter MWR 10/20 or elsewhere
- Connections: rigid coupling

### Technical data

Length	approx. 240 mm
Diameter	approx. 55 mm
Weight	approx. 4.80 kg

**PATENT ANNOUNCED**

Subject to technical amendments.
